Orthodontic Payment Options offered:

Your monthly payment via Electronic Funds Transfer Service

An automatic monthly deduction from your checking account saves you time and is very convenient.

All we need is a voided blank check attached to the preauthorization form. Automatic payments are established for the duration of treatment.

Your monthly payment via automated Credit/Debit Card

An automatic monthly charge to your credit card (MasterCard, Visa, American Express or Discover) or banking check card can be set up. All we need is a signed preauthorization form signed with the current card information. Automatic payments are established for the duration of treatment. It is the cardholder's responsibility to update the billing department of any card changes.

Payment In Full At Start

A 5% discount for payment in full at the start of treatment is offered to those who wish to pay off their balance immediately. This is beneficial to those with or without insurance coverage. The discount applies only to patients starting Full Treatment and cannot be combined with other discounts. The balance must be paid in full at the time of records or banding.

Payment through the office website

Payments can be made directly to the office from our website at www.SmithSmile.com. You must provide the office with a verifiable email address and register through the website at Patient Login. The website will also allow you to view your payment history.
